Employment History

2003 – · · · ·

University of Carthage, Ecole Supérieure de la Statistique et de l'Analyse de l'Information, Tunis, Tunisia

- **Positions:** Professor (from 2018), Associate Professor (2011-2018), Assistant Professor (2003-2011).
- **Teaching:** Data Analysis: Principal Component Analysis, Correspondence Analysis, and Multiple Correspondence Analysis, Theory and Practice with `R`, Mathematical Statistics: Statistical Inference, Hypothesis Testing, Regression Analysis, Theory and Practice with `R`, Data Mining and Practice with `R`, Bayesian Statistics with `OpenBugs/Winbugs/RStan/Jags`, Time Series: ARMA and SARIMA Processes, Theory and Practice with `R/Python`, Big Data: Large Data with `R/Python`, `SQL`, `Spark`, `H2O`, Advanced `R/Python`: Data Management, Data Visualization, Dashboards, Shiny Apps, Heroku Apps, Bokeh.
- **Research:**
  - Supervising 5 Ph.D.: Detection and classification of swallowing sound, Sensory Analysis, Genetics, Zoonotic cutaneous leishmaniasis incidence, Cardiovascular risk factor.
  - Papers and collaborations: I had published and coauthored more than 40 scholar papers.
  - Supervising Master and Engineering Thesis on several topics related to applied statistics and data science.
- **Administration:** Director of the Department of Statistics (2004-2007)

2014 – 2019

Yale University, Whitney and Betty MacMillan Center for International and Area Studies and the Department of Statistics and Data Science, New Haven, USA.

- **Positions:** Visiting Associate Professor (2014), Consulting on several projects with Yale Scholars (2015-2018), Associate Research Scholar (2019).
- **Missions:** Democratic Transition in Tunisia, Governance and Local Development: Implementing two face-o-face Surveys in Tunisia, G-econ team on building local GDP data,Teaching Time Series with `R/Python Course`.

2016 – 2017

University of Michigan, Center for Political Studies of the Institute for Social Research, Ann Arbor, USA.

- **Position:** Visiting Fulbright Scholar.
- **Role:** Research: Working on Data Quality, Survey Methodology, Interviewer Effect, Teaching: 4 Lectures on Applied graphical Models, 1 Lecture on Data visualization with `R`, 1 Lecture on Sensory Analysis.

Employment History (continued)

2011 (May to July) — **Stanford University**, Department of Statistics, Palo alto, USA.

- **Position:** Visiting Fulbright Scholar.
- **Role:** Research on Graphical Models, Faithfulness assumption, and Covariance graphs.

2002 – 2003 — **York University**, Department of Statistics, Toronto, Canada.

- **Position:** Visiting Assistant Professor,
- **Teaching:** Applied Regression Models with SAS, Introduction to the theory of probability, Introduction to Statistics with Minitab,
- **Research:** Monte Carlo Methods and Bayesian Estimation of the Graphical Models.

1998 – 2002 — **University of Sousse** , Institut Préparatoire aux Ecoles d'Ingénieurs, Sousse, Tunis.

- Teaching: Analysis, Calculus, Algebra
- Research: Natural Exponential Families, Pick functions, Markov Chains
- Administration: Director of the Department of Mathematics

Education

Sept 2009 — **Habilitation *(Tenure)*, Université de Tunis El Manar** Ecole National d'Ingénieurs de Tunis, Tunisia.
Thesis title: *Problèmes autour de la probabilité et de la statistique: Méthodes et Applications.*
Dissertation: `https://malouche.github.io/myCV/reports.html`

October 1997 — **Doctorate, (Ph.D.), Paul Sabatier University,** Toulouse, France.
Thesis title: *Classification des familles exponentielles associées à des fonctions Pick.*
Dissertation: `https://malouche.github.io/myCV/reports.html`

1993–1994 — **Master's Degree (D.E.A), Paul Sabatier University,** Applied Mathematics.

1989 – 1993 — **Bachelor (Maîtrise)**, Ecole Normale Supérieure de Bizerte, Tunisia.

Skills

Languages	Strong reading, writing and speaking competencies for English, French, and Arabic.
Coding	`Python`, `R`, TABLEAU, SPARK, H2O, `Shiny`, LaTeX, …
Misc.	Data Mining, Machine Learning, Big Data, Academic research, Teaching, training, consultation, LaTeX typesetting and publishing.
